Subject: Attorney Marvin Benton--Cedar Chemical Briefing Before Carl Edlund for February 21st at 10:30 am
Date: Thursday, February 07, 2013 10:23:43 AM

Mark:

I just accepted Wren's invitation for the scheduled February 21st briefing before Carl Edlund but I do not think I will be able to attend because I have a pressing business matter on February 21st that begins at 9:00 am. Since, I will probably unavailable can you have another one of our attorneys at the briefing for Carl.

This is going to be an important briefing before Carl so it is critically important that we have an attorney present.

Thanks,

Marvin Benton
